SPRING

Schedule

2018

**Jesus Christ is the
same yesterday,
today and forever.**

Hebrews 13:8

XYZ is a ministry of Grace Lutheran Church for those who are 55 and older.

We meet on the second Thursday of every month.

Each month we put on a program that usually consists of music, testimonies or inspirational talks.

We offer refreshments and a relaxing afternoon of Christian fellowship, love, laughter and prayer.

**We hope that
you will join us!**

Bus rides are available by calling the church office at 228-3727.

THE GARMS FAMILY

Tone-deaf kids, an aircraft mechanic who wanted nothing to do with evangelism, a stay-at-home mom who only left the house for church and groceries. It's an irony that we sing and travel full-time across the United States.

But it wasn't our idea. It was God's, and when He calls, He always equips.

We are The Garms Family: David and Kris, Ben, Taylor, Leesha, Sam, Jayme, and Caleb. When not parked at Walmart, we live in the swampland of Minnesota. We home-school, create music in our studio, and play basketball at gas stations, but most importantly, we love to tell others what Christ has done in our lives.

Expect a refreshing variety of Christ-centered original songs, gospel classics and hymns—as well as an instrumental or two. With up to five-part harmonies and over 15 instruments—a concert enjoyed by all ages!
