Of the 53 counties in North Dakota, Bottineau County is one of 16 counties most at risk due to Covid-19. Because that is the case, we as elders have decided to suspend all in-person ministry activities and worship services. There will be no on-line service this Sunday, October 18, but **live-streamed services will resume on Sunday, October 25<sup>th</sup>**. Also, Pastor Dave is in the process of recording a series of half-hour Bible studies on 1 Peter. You can easily access those studies from our website.

During these difficult days, we urge you to stay connected with your church family. At the very least, please access our on-line worship services each week. Also, check back frequently because any future updates will be posted on our website.

God's peace to each of you,

Pastor Craig (on behalf of the elders)
